- (b) All matches in the CRLA will be played in accordance with the International Laws of the Game as current at the time of the finals.

Canada Rugby League Association | Rules and Regulations

- (iii) Zero (0) points for a defeat;
 - (iv) A loss of three (-3) championship points for a team who forfeits.¹
- (c) If two or more participating clubs finish equal on points after completion of the provincial season, their relative positions on the table shall be determined as follows:
- (i) The team having the greater points difference shall be placed ahead of other teams (points difference is calculated by subtracting the match points scored against a team from the match points scored by the team); if teams are still equal; then the team having the greater points percentage shall be placed ahead (points percentage is calculated by dividing the number of points scored by a team by the number of points it concedes and multiplied by 100); if teams are still equal then:
 - (ii) The team that has the greater head-to-head record within the season, between the two teams, shall be placed ahead of the other team; if the teams are still equal then:

Canada Rugby League Association | Rules and Regulations

1.3 Playoffs

The top two (2) clubs from the respective provincial bodies, will qualify for the playoff series. A semi-final match will be played between the 1st- & 2nd- seeded teams in provincial leagues (provincial championships), to determine the teams who will play the CRLA Championship Final. The winner of this match will be the CRLA National Champions.

Should a playoff match or the Championship Final be drawn after 80 minutes of playing time, 2 x 10 minute halves of extra-time will be played to determine the winner. Should the game be drawn at the completion of extra-time the game will continue into additional “Golden Point” extra-time. The team scoring first in this extra-time will be the winner by “Golden Point”.

- (a) Semi-Final: The Number 1 seeded respective provincial team on the table will play the Number 2 seeded team, at the grounds of the Number 1 team, as determined and approved by the respective provincial organization.
- (b) Championship Final: The match will be played between the winners of each of the provincial Semi-Final fixtures, at grounds determined and approved by the CRLA Board. It is preferred that the Championship Final rotate between an eastern and western location each year to help share in the costs of travel for respective teams.

2.0 FORMAT OF MATCHES

2.1 Match Commencement, Delays, Duration and Number of Players

- (a) Matches are to start at the scheduled kick-off time. Should a team be delayed, they must notify the Tournament Director (General Manager unless delegated otherwise) no less than one (1) hour before the scheduled kick-off time.
- (b) Delayed matches can be played if both coaches or club officials *and* Referee agree unanimously. The Referee will have the deciding vote and provide a report of the delayed start to the Tournament Director.

Canada Rugby League Association | Rules and Regulations

- (c) The coin toss will be in accordance with the International Laws. The Match Officials will toss the coin for the visiting team to call. The winner of the toss will have the choice of either:
 - Side of Field, *or*
 - Option to kick-off at the start of the game.

- (d) Each match shall be of 80 minutes duration, consisting of 2 x 40 minute halves. There shall be a half-time interval of 10 minutes.

- (e) Teams alternate their sides of the field at half-time, and also alternate kick-offs in each half. In other words, teams swap their sides of the field at half-time, and the team that kicks-off at the start of the game will receive the ball at the start of the second-half.

- (f) The Referee will be the official timekeeper, unless the Referee designates the 4th Official as the timekeeper. Should the Referee employ a timekeeper, both teams' coaches, club official and captain must be made aware of the agreed upon mode of signaling for the end of each half of the game. Notwithstanding, the Referee shall be responsible for signaling the official start- *and* end- of play using his whistle.

- (g) The game shall be played with each team having not more or less than thirteen (13) players on the playing field at any one time.

Canada Rugby League Association | Rules and Regulations

2.2 Postponed Matches

- (a) If a match is postponed due to bad or inclement weather or an “Act of God”, then the match will be replayed on such date and at a venue and time as agreed by the Tournament Director (General Manager unless delegated otherwise) in consultation with the two affected clubs.
- (b) If a match must be postponed and rescheduled, it is the responsibility of the Tournament Director to notify all parties concerned immediately following the decision.
- (c) In the event of a match that cannot be played, and after attempts to reschedule have been exhausted, the Tournament Director may decide to waive the match, so long as it has no bearing on table positions; as and when approved and sanctioned by the respective provincial organization and subsequent notification of all participating clubs.
- (d) If a club requires rescheduling a match due to circumstances not related to inclement weather, “Act of God”, hazard or emergency, they must send a request in writing to the Tournament Director at least forty-eight (48) hours prior to the date and time of the original game.
- (e) A club failing to fulfill a fixture without a satisfactory reason, or forfeiting a fixture, shall be referred by the Tournament Director for sanctioning by the respective provincial judiciary; which may lead to fines or financial recovery [including, but not limited to, the cost of field hire, travel expenses and match officials] and points deducted.

2.3 Abandoned, Incomplete and Forfeit Matches

- (a) If a match cannot be completed due to unforeseen circumstances (e.g. “Act of God”, inclement weather, player injury, player/spectator safety, power failure, etc.) or a team is reduced to less than thirteen (13) players, it will be considered completed if at least 60 minutes (or three-quarters) have been played. If 60 minutes cannot be played then the game will be rescheduled, unless the Match Officials (with consultation of both coaches) agree unanimously to accept the score at the time the match was stopped as the final result. When the Tournament Director (General Manager unless

Canada Rugby League Association | Rules and Regulations

delegated otherwise) subsequently endorses such decision, it shall be final and not subject to appeal.

- (b) A match is forfeited, unless the Referee or Tournament Director is notified otherwise, when less than thirteen (13) players from either team are available to take the field at the scheduled start time.
- (c) If a match is forfeited, it counts as a loss for the team that has failed to meet its requirements. The opposing team will be awarded the win 30-0, as well as the points for the win. No individual player will be accredited these points.
- (d) If a match is forfeited, players who are under Judicial Suspension shall not be eligible to count the forfeited match toward the number of games served within their suspension.
- (e) Any Club Playoff match that is forfeited will result in the culpable team being disqualified from the CRLA Playoffs, referred to the CRLA Judicial Branch for sanctioning, *and* automatically be awarded a minus three (-3) points deduction to the respective provincial ladder.

3.0 ON-FIELD

- (a) Each team must play in CRLA approved player apparel. Failure to wear approved player apparel will be referred to the respective provincial judiciary for consideration of disciplinary action and may result in a fine and/or loss of points.
- (b) Kick Off: See: 2.1 (a)
- (c) Sin Bin [Yellow Card]: When the referee sends a player to the Sin Bin they cannot be replaced. It is mandatory for a sin-binned player to remain as near as possible to the Fourth Official and is not permitted to sit with their respective team's interchange bench. [See 9.2 (c)]
- (d) Send Off [Red Card]: A player sent-off from the field by the Referee will take no further part in the match and will remain outside the playing area for the duration of the match or for the duration of any subsequent suspension. [See 9.2 (d)]

- [b] On-Report: the Referee may place a Player, Coach or Team Personnel “*On-Report*” by signalling an **X** with his arms; wherein the Fourth Official will note (i) the time of the incident and (ii) a brief description upon the game sheet. This procedure automatically triggers an investigation by the CRLA: Judicial Review Panel [“JRP”] of the incident “On-Report” for their consideration.

- [c] Sin Bin [Yellow Card]: the Referee may send a player to the “Sin Bin” for ten [10] minutes. A sin-binned player cannot be replaced until the ten [10] minutes sanction has elapsed and they are permitted to re-enter the field and game, only by authorization of the Referee. Any player receiving three [3] yellow cards within the course of a season, not necessarily in consecutive order/matches, will be automatically suspended for the next match following the third yellow card. Subsequent to the player serving this automatic one [1] match suspension, their effective “Card Count” is reset to a tally of zero [0].

- [d] Send Off [Red Card]: the Referee will send a player from the Playing Area for “Foul Play” or “Misconduct”. Examples of this include, but are not limited to: (i) a (deliberate or unintentional) “High Tackle”, where the defending player comes in contact with the head/neck of an attacking player, (ii) Deliberate Foul or Dangerous Play, (iii) Verbal Abuse or Contact with a Match Official. The issuance of a “Red Card” *does* automatically result in a Player/Personnel being sent from the field of play, and they are not permitted to sit in the “Technical Area” for the remaining duration of the match or for the duration of any subsequent suspension. An automatic one [1] match suspension is a statutory effect for the recipient of a Red Card, and subsequent to this one [1] match suspension being served the player’s effective “Card Count” (including any cumulative “Yellow Cards”) will be reset to a tally of zero [0]. Furthermore, within forty-eight [48] hours (following the recorded kick-off time from when the “Red Card” was issued), the Referee will submit a detailed “Incident Report” and account to the MOD: Chairperson (including any preceding & proceeding reactions and/or responses from Players, Coaches or Team Personnel). In turn, the MOD: Chairperson will submit the report to the CRLA: Judicial Review Panel [“JRP”] for their consideration.

- [e] If any person reasonably believes that any player or official is guilty of misconduct, he or she must immediately inform the CRLA General Manager, unless delegated otherwise in writing, setting out all relevant details of the alleged misconduct.
